

Ardrossan Antics

Welcome to another edition of the Ardrossan Antics.

Winter has definitely arrived, but this hasn't stopped the number of visitors that continue to make Ardrossan their destination of choice.

There has been plenty of action around town with the second wall mural in town in April, in the main street of Ardrossan. This has had a lot of positive feedback as we continue to see developments around town.

The Progress Association held a very successful Art show at Ester and plans to hold the same Art Show at Easter next year. With many artists and budding artists submitting works it made for great viewing.

The Council is planning to hold a week long Art Show called Grounded on the Peninsula with Fine Arts being displayed in Ardrossan in August. Entries are now open.

It has also been pleasing to see so much support for the events such as the 'Show n Shine' and 'Fashion through the Ages' parade as lead up events to the main 150th Celebration event to be held on the last weekend in October.

The committee have been extremely busy behind the scenes to make these events happen and appreciate the ongoing support from the community and visitors. It has been great to see.

Don't forget that Ardrossan Progress Association Membership is now due. Memberships need to be paid at the Visitor Information Centre. Please find enclosed membership form and banking details, and if you are paying via Direct Deposit, please add your names as a reference.

The Ardrossan Antics is circulated Bi-Monthly and is published at the beginning of February, April, June, August, October and December.

Submissions deadlines are the 15th of the month prior to publication and late submissions will not be included due to editing and proof reading deadlines.

Views expressed are not necessarily those of the Ardrossan Progress Association Inc.

Private advertisements will not be published

From the Ardrossan Caravan Park

- The Progress Association has started work on the disabled villa in the Caravan Park.
- The Progress Committee and Stuart Palecek are still working with the Building Fire Safety Committee to design the fire walls which need to be built in the next couple of months.
- The Progress Association and Stuart Palecek are finalising the plans for the movement of eighteen annual site licence holders which will mean they don't need to build fire walls.

Ardrossan Area School

Respect. Creativity. Excellence.

1/ Junior Primary Zoo Excursion - Our R-2 students visited the Adelaide Zoo on 4th May. Students saw a variety of animals in enclosures which simulate aspects of their natural environment.

Regular activities including the Free Flight Bird Show and Farmyard Contact Area were also enjoyed.

2/ ANZAC Day - AAS Captains Isabelle Teakle, Mikayla Dayman and Lily Colliver proudly represented our school at the RSL Ardrossan and Artherton ANZAC Day Services. Band members Anastasia and Serenity Gorden joined Mrs Schwartz and the YP Band at the Maitland Dawn Service.

Ardrossan Area School

Respect. Creativity. Excellence.

Yorke Peninsula Schools Secondary Athletics Carnival was held Monday 27th March at Central Yorke School. What a day! It was fantastic to see 11 schools come together to compete, especially after the event was unable to go ahead last year. Despite the weather creating a few extra obstacles, it went ahead and finished up as a fantastic day! It was exciting to see the local YP talent and great sportsmanship on display.

CONGRATULATIONS to our AAS students who participated and for winning the Championship Shield as overall winners!

Parliament House visit - AAS School Captains, Isabelle Teakle, Mikayla Dayman, Tia Black, Lily Colliver and Layla Black, were invited to attend a tour of Parliament House with Mr Fraser Ellis MP - Member for Narungga on 21st March. Students were addressed by Premier, the Hon. Peter Malinauskas MP and Leader of the Opposition, the Hon. David Speirs MP. As part of the tour, students were able to observe parliamentary proceedings.

Rex Minerals and SA Government Schools partner to guarantee jobs for regional students

Article courtesy of ABC North and West SA - 25th May 2023

Job opportunities for young people at a South Australian copper and gold mine set to start production in two years have been guaranteed in an agreement between the operator and the state government.

The Hillside iron oxide copper gold deposit, south of Ardrossan on the Yorke Peninsula's east coast, will be mined by Rex Minerals from the end of 2025. Rex Minerals chief operating officer Jason Schell said students from local schools would have access to jobs when operations commenced.

"When the mine is operational we'll have 350 roles in place and we're looking at partnering with 15 students per year leading up to our construction commissioning," Mr Schell said. "We have electricians, we have other pathways for plant operators, heavy machinery operators, and also setting up tertiary degrees and pathways for other disciplines and engineering degrees."

Education Minister Blair Boyer said the agreement would strengthen the community's relationship with the mine, especially for Ardrossan Area School and others. Ardrossan Area School year 11 student Jake Clifford said that he wanted to further his technical education in geology and mineralogy. "It's what I always wanted to do — my dad got me into it and it's super exciting," he said. "I wouldn't say I'd like to stay in the city, as such — I love it here." Jake said he was keen to encourage others to undertake the pathways program and stay in the region. "There needs to be more people in this area doing these sorts of things," he said.

Mr Schell said updates would be provided at a community meeting in Ardrossan on June 8, including details about business registrations, employment opportunities and road projects. Five-hundred jobs are expected to be created during the construction phase. Hundreds will be created when the mine is operating, which it is projected to do for 30 years. Rex Minerals said that its model for student pathways would be transferable to other projects. It holds an exploration licence covering 2,200 square kilometres across the Yorke Peninsula.

Community Information Night

Dear Community Member,

Please be advised that Rex Minerals Ltd (Rex) will be holding a community information night for the Hillside Project.

WHEN: Thursday 8th June

WHERE: Ardrossan Town Hall

TIME: 7pm – 8pm

The areas of focus for the night are:

- **Community** – Community Engagement Plan (CEP)
- **Businesses** – Expression of Interest Registrations
- **Project** - Stage 1 Road Diversion update and drawings
- **HMCCC** – Hillside Mine Community Consultative Committee

Rex intends to hold regular community information nights going forward.

All are welcome to attend.

Tea, coffee and cake/biscuits will be provided.

Call 1300 822 161 - community@rexminerals.com.au - 5 Main Street, Ardrossan 5571 - rexminerals.com.au

Hi everyone and welcome to winter!

Are you thinking about heading north or to a warmer place?

Before you go, please make sure you secure your home and let a neighbour or friend know you are going away so that they can keep a check on your property.

Perhaps someone could park their car in your driveway occasionally.

Make sure if you are taking the caravan or RV that it is in good working order and also that you take some **security precautions**:-

- Secure your number plates on your car, caravan, and RV with tamper-resistant screws to prevent number plate theft. Ask Nic (refer below) about getting some of these screws free of charge.
- Consider installing security devices such as key operated wheel clamps, tow ball coupling locks with padlocks, steering locks, and dual door handle/locks. These devices can deter a thief from attempting to tamper or steal your property, AND useful both away and when at home!
- Lock windows and doors when leaving your car and van even if only for a short time. You never know who is watching you.
- Don't leave things on view in your car or van as too much of a temptation for thieves.
- Consider installing a safe in the boot of your car or in your caravan or RV for smaller valuables, e.g. mobile phones, iPads, jewellery etc.

For more information about keeping your van or RV secure while away, and at home, visit the link below:

https://www.police.sa.gov.au/data/assets/pdf_file/0009/852057/Caravan-book-2019-interactive.pdf

Our **next Watch SA meeting** is on **Wed 21st June** at 7:00 pm at the Meals on Wheels rooms. It would be nice to see you so please come along and join us.

Stay warm!

Watch SA coordinator – Judy Wright – 0413 952 708

Safety products – Nic Marsh - 0409 670 712

Brotherly Love, Relief and Truth

TIDY TOWNS - ARDROSSAN

You may have received our Tidy Towns pamphlet in your letter box this past week. This was an attempt to promote the group whose members are increasingly getting less physically able to do the work that we previously did throughout the town.

If the group is to continue, we need to attract more people who can contribute a few hours a week to ensure that the work previously done carries on into the future.

We need to attract some younger, fitter, and more able people so that we, among other things, can operate the mowers, use the slashing equipment, operate chainsaws as well as things with long handles that (I personally have an aversion to), is becoming a bit too hard for our current members to handle.

A bit of less strenuous work with some basic garden tools is always needed. The weeds continue to sprout and take advantage of even the smallest amount of rain. If only we could add some of the genes that weeds have to grow in even the poorest of conditions to our crops and garden plants, we'd be able to feed the world.

The town seems to be busy of late with caravans filling the Caravan Parks and stop-over points around town. While this can be seen to some as a bit of a bother at times (can't get a parking spot, line-ups at shops, increased traffic congestion, etc) it provides an income to our traders as they all spend a few dollars that support our town and provides the facilities and services that we enjoy every day.

But have you been to Adelaide lately - where you spend what seems like hours waiting behind seemingly miles of cars for the lights to change, with nowhere to park that doesn't cost a small fortune on meters and carparks, walking half a km in the shopping centre carpark, where you can't see the sky past multi story apartments and two-story houses boundary to boundary.

Where everyone is in a hurry to get somewhere, and when I had to go there the other day – no one would look you in the eye much less say g'day. No, I'll stay here thank you very much!

The waste and recycling bins have been as busy as ever, keeping us busy sorting out all the cans and bottles from the (sometimes not very nice) rubbish. Disappointingly, we've experienced damage to some collection bins and theft of their contents lately. The value of what's been stolen is only small and one can only wonder what benefit this can be to those persons – only a few dollars, but costs us money to fix and replace, Grrrr.

The Memorial Park renovation is now near complete. We've planted a whole heap of small trees, shrubs and flowering plants and installed a watering system to help them survive. They appear to be growing well with few losses. Just need to wait for the plants to grow. With the ever-opportunistic weeds growing before your eyes.

Sadly, we announce the recent passing of one of members, Peter Goodrich, after a short illness. A shock to us all. We pass on our condolences to Colleen and family.

Please consider coming along yourself on a Tuesday morning, it's a good feeling to know you have made a worthwhile contribution to your community. You can find us at the shed from 9:00 to 12:00 every Tuesday morning. See you there?

Ardrossan Community & Mens Shed

Time flies past increasingly quicker, or so it seems at least. The Antics provides a unique way to pass on information to the community and showcase what the various volunteer and service groups in our town provide. There are over 45 individuals and groups (that I see on the contact list – and probably more) who contribute or are involved in town affairs not only in our town but up and down the Peninsula and afar.

Prior to distribution of the Antics every two months, there many people who sit down at their computers in the creation of the Antics to let the 1200 plus residents and countless others who read through its pages know of the valuable, and often unnoticed contribution they make to our community. The hours that they spend are innumerable.

All this information and effort is then reviewed by one person (immeasurable thanks to Holly) and a small band of helpers at the APA. So, it's good to recognise, while reading the Antics, of the work that goes into our little newsletter and the contribution that our volunteer groups put into our town.

What we at the Shed do is then able to be showcased and we are thankful for the opportunity to tell you what we do in the small contribution we make to the fabric of our community. Hopefully you don't find it too boring or repetitive.

Enough of that, on to what we've been doing. So far, we have made 9 Osprey nest platforms with 2 more in production this financial year, with a possibility of more next year. This project has been highly effective in increasing the breeding success of these endangered birds. The frames have been erected (or in preparation as we speak) not only on the Yorke Peninsula but as far spread as Ceduna and along the coast of the Eyre Peninsula, in Adelaide, on Kangaroo Island and the possibly the Southeast and Northeast of South Australia.

It's not only a funding opportunity for our Shed but has put Ardrossan on the map throughout our State, Australia and overseas to show that our little town can match the best of them. As a consequence of this, our efforts with the Osprey nests have presented us with an opportunity to manufacture Barn owl nests. We have made a trial box, and along with flat pack boxes and will be shortly showcasing this to other community groups so that they can produce them in their own areas.

Not only this but there is a chance to produce offshoots of the design and materials used for the nests to provide solutions to other bird problems of concern. More on this as we speak with the landscape and conservation groups who provide valuable environmental support throughout the Peninsula and our State.

The jetty trolley for Edithburgh that we've been slowly working towards is coming closer to completion. All coming together to a point where it is recognisable as an example of the infrastructure that supported the farming community on the Peninsula in years gone past. It is hard to imagine the tenacity, ingenuity and extremely hard work that was put into the transport and distribution of the grain grown by our early farmers. They did this with only basic infrastructure and equipment that is now achieved with massive modern plant and equipment that would have been unthinkable in those early times.

When you speak with some of the people who are still around and were involved with this in their early years, you would be amazed at what was achieved. It is well worth the time to visit our own Museum where you may look at some of the examples and information that showed what they did that created and what we now take for granted.

Our Shed extension is slowly progressing. It is a long and involved process that at times, seems never ending but getting closer.

Run out of time and space again! More in the next issue, lots more to tell you. We'd be pleased to see you drop in any time you like (we are open on Monday and Thursday, 9:00 am to 3:00 pm) and we're sure you'll find it a great experience to be a part of our friendly team, we're all having a great time. The kettle is always on!

We recently celebrated 5 years of Light Church Ardrossan. We remembered and celebrated everything that has happened in the past 5 years. With any party we had a cake, food and a pinata and face painting for the kids. We also looked ahead to some of the things we want to see in the next couple of years. We have a plan to see a playground installed in some capacity to cater for kids. We also want to expand our youth group to a weekly program in the next five years, continue a number of events such as Carols by the Sea and supporting people in need in our community.

As a church we also support and plan to continue to support a number of organisations overseas in Vietnam, Thailand, India, Uruguay and Nepal. These organisations all do incredible work within their communities in schooling, health, families and community development and safety.

We have kicked off our youth program for Term 2, all details can be found on our Light Youth Ardrossan Instagram. As always we continue our Sunday services where everyone is welcome. Full kids program every week, coffee after the service with a contemporary service.

We would also like to thank Ardrossan Uniting who continue in their generosity in welcoming us into their facilities.

Ps Ben Braund
Light Church

It has been a very busy time in our shop and we thank everyone who supported our Summer Sale. Our many visitors complimented us on the varied range of stock we carry and of course the chance to enjoy our Summer Sale during the school holidays.

One of our visitors even told us that we recently had a mention in the "Grey Nomad Guide" as being a shop to visit when on their travels!

We now have our winter stock displayed in our shop. Lots of jumpers, windcheaters, vests, long pants & jeans, jackets etc, so come in and have a browse as we are sure you will find something to keep you snug and warm as the weather starts to get colder.

Perhaps next time you visit us, you will notice our new Op Shop logo on our door. It was designed by Adam, one of our volunteer's sons and we think it is just perfect. "A blue swimmer crab on a coat hanger". Well, Ardrossan is renowned for our blue swimmers and the coat hanger really does represent our shop - we do have a lot of coat hangers!! Also the coat hanger is supporting the crab and we know our shop is supporting our hospital, so we feel our new logo is quite special. We hope you like it too.

If you like our shop and would be interested in joining our team we would love to hear from you. You can volunteer weekly, fortnightly, monthly or be a reserve when needed. Ladies and men are very welcome and we are also happy to help Newstart volunteers if we can. Please ring Jan (0408 810 152) or Judy (0409 287 264) to have a chat.

See you soon in our Op Shop & keep warm.

Cheers for now,

The Ardrossan Op Shop Team

ACH Executive Management Team : Narita Stone, Chief Executive Officer (CEO); Georgina Drewery, Director of Nursing (DON); Juliet Vincent, Aged Care Manager (ACM)

Board of Directors: Margaret Tomsen (Board Chair), Don Hosking (Board Vice Chair), Rikki Parkinson (Director), Gail Marsh (Director), Brenda Bowman (Director), Craig Farrow (Director), Annette Lodge (Director)

Consumer Representatives: Annette Aldridge and Don Waters

We welcome any feedback that the Community may wish to provide. The Board contact details are available to community members via the Notice Board in the walkway near Ardrossan Pharmacy and you can contact the hospital should you wish to speak to the Executive Management Team.

On Wednesday May 3rd we had a consultant Michele Smith on site. Michele was contracted by Health Minister Picton to recommend a sustainable medical model to supply on-call health services in our community. The meeting was extremely positive, and if her recommendations are accepted, should lead to some very exciting news for both ACH and the community overall. We will keep you informed as developments occur.

Increasingly, telehealth will be playing a part in the provision of health services. At Ardrossan we are already using a program called SA Virtual Care Service (SAVCS) which provides virtual medical assistance for both acute and aged. Via a video link, a Medical Officer can dial in and see the patient/resident and offer medical assistance.

We are also working towards installing SAVES. This is a virtual emergency service which will link us to experienced rural GPs who provide remote medical assistance to patients who have been triaged by the nursing staff at local emergency departments.

Please be assured both Board and Management are working with the Doctors to try and ensure we have 24/7 coverage for our Accident and Emergency, Acute and our Aged Care Residents.

Telehealth programs are not meant to take the place of local doctors but are there to ensure services can continue at ACH when a local doctor is unavailable.

Star ratings:

Star Ratings allows you to compare the quality of aged care homes across Australia. Residential aged care homes are rated against four sub-categories: Compliance, Residents' Experience, Staffing and Quality Measures. They then receive an overall rating, with three stars considered acceptable.

What a great achievement for a facility such as ours to recently be rated *4 Stars*. It was a brilliant result achieved against the odds and under some extreme conditions. Well done to absolutely every staff member and all our volunteers. We couldn't have done it without you.

Across Australia:

54 services (2 per cent) achieved five stars – excellent
 964 services (39 per cent) achieved four stars – good
 1,357 services (54 per cent) achieved three stars – acceptable
 119 services (5 per cent) received two stars – improvement required
 6 services (0 per cent) received one star – significant improvement.)

Resident and Staff Activity:

In the month of May we recognised and celebrated: Mother's Day – gift giving, craft and world celebrations; Cancer awareness – Biggest morning tea – Uniting Church; Museum Fashion through the Ages; King Charles Coronation; National Heart Week (displayed in the front foyer of the hospital)

Our residents also celebrated ANZAC Day with a service which was led by Jane McDonald. Our thanks to Jane for your attendance on the day.

Visiting requirements:

- RA Test before entering the facility.
- Mandatory mask wearing.
- Sign in on/out for each visit.
- Visiting Hours – 11am – 4pm. (unless approved by Executive Management)
- Pets to visit in private rooms only.
- If unwell, please abstain from visiting.

Take care everyone and stay safe. Should you need us we are here, but please remember to call before you present. If an emergency Dial 000.

Narita Stone - Chief Executive Officer

The SACWA - Ardrossan Branch has been very active of late. We have celebrated a members 80th Birthday (pictured bottom right), created a number of flower arrangements and welcomed two new members.

To celebrate the recent ANZAC Day March, a new wreath with artificial silk flowers was made and laid by Branch President Jan Hanf (pictured with a member from another branch (right).

We look forward to working with the committee organising the 150 Celebration of Ardrossan's Proclamation in the lead up to the event.

Meetings

Held every second Wednesday of the month in the Small Hall. Look out for our flag out the front!

We are always happy to welcome new members!

Ardrossan Garden Club

The Ardrossan Garden Club brought along many flowers to the last meeting and made up approximately 50 posies. These were taken to the Ardrossan Hospital and given out to all the residents and some left over for the staff. They were thrilled to receive them. This is an annual thing that the Garden Club enjoys doing.

Also, The Clare Garden Club visited Ardrossan and some of our members firstly gave them morning tea, then off in their bus to several local gardens. Thanks to Adrian & Jan Stott for their amazing display of ferns. No wonder the bus had a trailer with boxes for all the plants the members bought!! It was then a tour of the town pointing out some of the pretty gardens, and then a visit to Gwentyth Lodge's home where little samples of different plants were taken. Lunch followed at Wilma's then off to Barbara & Bob Walkley's beautiful plant displays. More plants for some of their members. Finally to Jennifer & Dieter Henschell's beautiful gardens, with twists and turns everywhere. A most enjoyable afternoon tea was given by Jennifer. It was then off home again to Clare and towns on the way where members were dropped off. Thank you to all the hosts. It was appreciated by all.

The next meeting in June is with Mr. Reid and his special subject of native plants. Maitland Club has also been invited to this meeting.

It was a perfect morning for the Dawn Service on Anzac Day - rather chilly but the sunrise was lovely. It was very pleasing to see a large crowd in attendance. The Catafalque Party from 7 R.A.R. at Edinburgh was spectacular and they created a perfect picture of the Memorial as the sun rose over the horizon. Thank you to the hosts who accommodated them for the night and thank you to Steve Nettles who sang and set the mood prior to the Service.

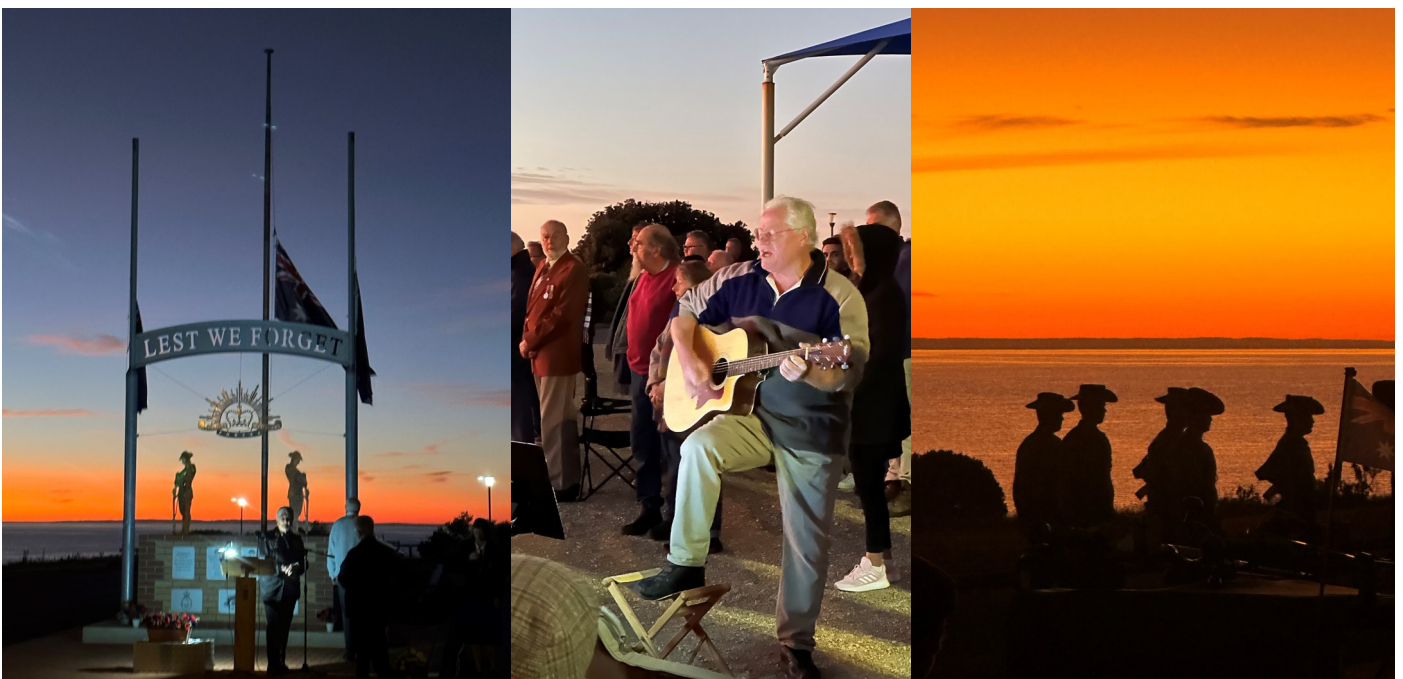

After the Dawn Service the cooks were all organized when we arrived back at the Clubrooms for the Gun Fire breakfast - about 130 people attended.

A small group assembled at the Bank SA corner for the morning March to the Memorial ably led by "Sarge", John Scott, on his gopher, and Barry Kundht beating the kettle drum to keep everyone in step. Archie' Tapps and Allan White carried the banner and some of the school students were the flag bearers. Again there was a very good crowd who attended and we were very pleased to have Mr. Rowan Ramsey MP join us. Lunch was served back at the Clubrooms after the Service.

Friday night teas have been well attended lately and we thank everyone for their support. Thank you to the kitchen staff for providing the enjoyable meals. Recently we have had a visit from some members of the Gawler R.S.L. who joined us for tea one Friday night and a group of members of a Car Club from Adelaide came for dinner while they were visiting Yorke Peninsula several weeks ago.

So, the Club is going well.and we will "soldier on".

LEST WE FORGET.

Ardrossan Heritage Museum News

Fashion through the Ages 1873-2023

An eagerly anticipated special event was held in the Ardrossan town hall on Friday 12th May. Hosted by the Ardrossan Branch of the National Trust, the event was attended by 180 people and all tickets were sold out for several months beforehand.

This was a fashion parade with a difference. Planning group members Wendy Lambert, Barbara Walkley, Meg Brown and Annette Rowntree organised an afternoon to showcase styles of clothing worn by local people spanning 150 years. The parade was a celebration of Ardrossan's 150th anniversary of proclamation as a township in 1873 as well as a registered event with the South Australian History Trust's History Festival held throughout the state each May. The theme for 2023 is "Wonder".

Models began the parade wearing current styles and gradually worked backwards in 10 year time frames to 1873. No commentary was needed thanks to a noticeboard made by David Lambert enabling the audience to keep track of the era and music appropriate to each decade provided by talented local pianist Dave Phillips.

In total 12 models of all ages (including one male model) showed around 130 garments. Accessories including hats, shoes, gloves, handbags and jewellery enhanced every outfit while some particular cameos featured changes in the "little black dress", militant Suffragettes, the trend of voluminous petticoats and the flappers of the Roaring Twenties.

Some of the models also demonstrated their acting skills. The audience witnessed afternoon tea parties, Suffragette demonstrations, the hallucinatory behaviour of the Swinging Sixties and even a little romance!

Clothing for the parade came from a variety of sources. Much of it was authentic and was borrowed from local people, some of the modern clothing was lent by Ardrossan businesses J28 and Bella Yorke and many of the older styles were made by seamstress and lead organiser Wendy Lambert.

The lucky ticket was drawn after the event and was won by Gwentyth Lodge who was delighted with her prize. The afternoon concluded with afternoon tea served by the "kitchen staff", all dressed appropriately for the occasion. "Fashion through the Ages" was a very successful event and a grand way to celebrate Ardrossan's founding in 1873.

A pink poster for a Craft Expo. At the top, it says "Presented by Ardrossan Sit & Sew (Members of SA Quilters)". The main title "CRAFT EXPO" is in large, bold, blue letters. Below it, the dates "June Long Weekend" are listed: "Saturday 10th June 2023, 9am - 4pm" and "Sunday 11th June 2023, 9am - 3pm". The location is "Ardrossan Town Hall". A "Gold coin donation" is requested. It lists items "On display" from the "Ardrossan Museum, Men's Shed, Golden Harvest Quilters along with local quilters and embroidery groups." It mentions "Trading tables of handcrafted items for sale. Raffle." and "Morning and Afternoon Tea supplied by the Ardrossan Angels." A note says "PLEASE BRING CASH. NOT ALL STALLS WILL HAVE EFTPOS AVAILABLE." The bottom of the poster features illustrations of a quilt, a ball of yarn, a measuring tape, and spools of thread. There are also decorative elements like a large button and a pair of scissors.

The Ardrossan 150th Anniversary Celebrations are quickly approaching with just 5 months to go. We hope to have included something for everyone in the program of events we have planned for across the week-end of 27-29 October 2023.

Celebrations will include a Gala Dinner, Family Movie Night, Street Parade, Town Fair, Concert, Picnic Lunch, Tug-of-War Competition and more. It is now time to be thinking about how you, your family and/or your business would like to be involved in these celebrations.

Parade Float - We are seeking floats that represent our community's past, present and future and ask that you consider entering a float of your own to represent your family/club/organisation/business's involvement in the community.

Stall Holders - Saturday's Town Fair aims to promote and support local. As well as seeking local makers and producers to be market stall holders, we would love to offer our local clubs and organisations first option to provide food and drink stalls as an opportunity to raise funds, and hope that local businesses will consider staying open for the day.

History, Photos and Memorabilia - Throughout the weekend we will have a historical display open to view. We are seeking any contributions of historical information, records, photographs and memorabilia on or town's history, pioneering families, long term local businesses and how they have transformed over time, local clubs and organisations, major events and notable achievements. If you have anything you think would be of interest, we would appreciate hearing from you.

Tug-of-War Team - Sunday's Picnic Lunch event will include a Tug-of-War competition reminiscent of those held at the old Ardrossan Alive events. Further details will be announced in coming months but please start rallying your family, team mates, members and colleagues in readiness to enter a team for the competition when registrations open.

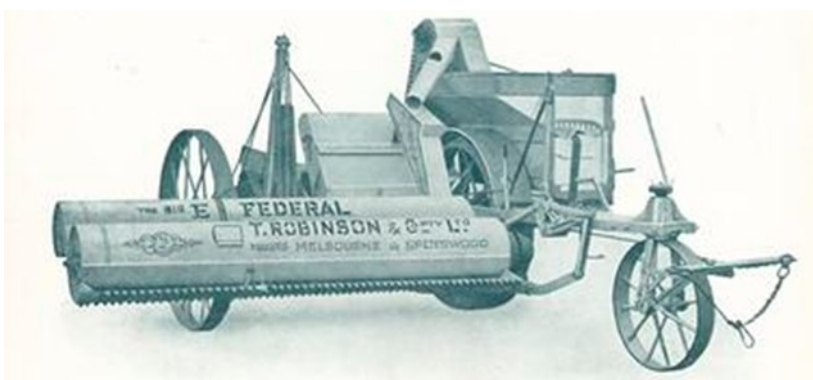

Sponsorship - We know this is one local families, groups and businesses hear regularly but please consider sponsoring our celebrations if you can. There are a lot of costs associated with the planning and promotion of events like these to ensure they are a success and can be enjoyed by everyone. Anything you can spare will help us ensure we are able to put on a celebration that our whole community can enjoy and benefit some way from.

If you would like to express your interest in any of the above or would like further information, please email us ardrossan150@ardrossan.sa.au.

Throughout the year in the lead up to our celebrations in October, we are endeavouring to share 150 facts about Ardrossan and our history. These facts are being shared regularly on our social media pages and a list of facts shared to date published here in the Antics each edition. Please find facts 41 – 60 shared on the next page.

150 Facts About Ardrossan Facts 41-60

- 41 Mr C Cane bought the first two grain harvesters ever to come to Ardrossan. The Federal Harvesters, built by Robinsons of Melbourne gave a 4 foot 6 inch cut.
- 42 The first working party of the Tidy Towns group was held Tuesday 1st of May 2001.
- 43 In 1955 the first bulk handled shipment of salt left from the port of Ardrossan.
- 44 After returning from war, John Oliver Baird, known as Oliver or "JO," set up a motor repair business with his brother-in-law J.B.R. Harrison, Harrison and Baird Mechanical and Electrical Engineers. In 1922 they built a new garage at 30 First Street, what is now the Newsagency.
- 45 The Hillside Copper Mine was founded 8 miles south of Ardrossan in 1895 by Mr Hill. The copper was found when pulling up a stump.
- 46 The first car to be driven into Ardrossan was a single cylinder Oldsmobile in 1903.
- 47 Ardrossan Football Club won their first Premiership in 1913.
- 48 The Scout and Guide Hall was opened by Sir Henry Rymill, Chief Commissioner, on March 22nd 1958.
- 49 Windara Reef is named after the Narungga name for the eastern section of Yorke Peninsula.
- 50 During 1968 enough persons holding First Aid certificates and prepared to volunteer were enrolled in the Ambulance Brigade. The first meeting of the Ardrossan Section was held on 5th December 1968. 13 members attended.
- 51 Ardrossan's first dentist was a Mr Nelson Blackmore who came in 1880.
- 52 The early pioneers sold stumps from land clearing for 5/6 a ton. The stumps were thrown into a truck with a frame on it at the jetty and then pushed the trucks by hand to the waiting ketches.
- 53 Horace Dinham claimed to have delivered the first load of wheat for shipment from Ardrossan. His farm was only 1 ½ miles west of the town.
- 54 The EFS (now CFS) was first formed on 4 August 1947 and the Foundation Officer in Charge was Mr Allan Feutrill.
- 55 The Ardrossan Progress Association has been in existence since 1945.
- 56 In April 1950 a traffic census was conducted in an effort to lobby for the improvement of the "appalling conditions" of the Coast Road. Over 3 days of the census the road carried a massive average of 18 vehicles per day!
- 57 Ardrossan's current hardware store (Home Hardware) first opened as a Mitre 10 store in April 1996. The building had previously been a Four Square store.
- 58 Miss Roberts, a governess at Parara Station, who later became Mrs P. Lamb, organised a branch of Red Cross in Ardrossan and during both World War I and World War II led the district in an effort unequalled on the Peninsula.
- 59 A.J. Jarrett commenced business in 1918 as a shipping agency from a small office on the corner of Fourth Street and North Terrace before opening Jarrett's Hardware at 24-28 First Street (currently the Hospital Op Shop) in 1920.
- 60 The Stump Jump Plough was manufactured from 1880 until 1935.

Melbourne

Show 'n' Shine

On Sunday 16 April 2023 we held our Show 'n' Shine event at the Ardrossan Town Oval. This event was held as a fundraiser towards our major celebrations in October. After a last-minute reshuffle due to a downpour the day before, the sun shone bright as we welcomed over 500 attendees through the gate with 110 vehicles on display. Congratulations to the team who organised this event and thank you to their team of helpers on the day. A huge thank you also goes to the Ardrossan CFS volunteers who assisted with parking and directing vehicles. The volunteers chose a 1960 Chrysler New Yorker owned by Terry Dunning of Port Pirie to present their CFS Choice Award. First place in the Peoples Choice went to Kim Dennis of Ardrossan for his 1964 EH Premier, second place went to David Lutze of Ardrossan for his 1961 Corvette C1 Convertible V8 and third place went to Phil Peterson of Ardrossan for his 1965 VW Kombi T2(T1). Our Cash Raffle was also drawn on the day. Congratulations to Kath Ricketts of Stansbury who won first prize of \$1000, Caity Kuhndt of Ardrossan who won second prize of \$500 and Louise Hollitt of Ardrossan who won third prize of \$250. Thank you again to all the local businesses who supported this raffle by selling tickets for us in their shop fronts and to everyone who purchased tickets. Your support is very much appreciated.

Ardrossan Bowling

Club News

Pennants may have finished but there has been a lot happening since the last edition of the Antics!

The **Ardrossan Area School students** visited the bowling club to learn just a few of the skills required to play lawn bowls.

Above: Mikayla Dayman showing her delivery

Right: Jack Simmons explaining how to hold the bowl to students

Nights Owls season concluded with the winners sponsored by Wheatsheaf Hotel

Left Winners: Alex Clift, Henry Crowell, Archer Rowntree, Fergus Rowntree with sponsor Jennifer Grainger

The annual 4 day **Easter Tournament** was held where players came from all over the state to participate. It was a huge weekend catering for both players and spectators. Crabs were available following the Men's Pairs on Good Friday. Saturday Open Fours, Sunday Open Pairs and Monday Open Fours completed the tournament.

Doug Barton was farewelled by Jim Burgess after serving on the ABC Board as Treasurer

Ardrossan Bowling

Club News

Maintenance and upgrades around the club have commenced with Wayne Rudiger & Brad Porter (pictured left) installing the new irrigation system on C green, with A & B greens to follow later this year. No need for hoses in the future!

We recently held our AGM and advise of the office bearers for 2023/24 are:

President : Rosie Stern

Secretary : Charmaine Simmons

Treasurer : Jim Burgess.

ARDROSSAN FOOTBALL & NETBALL CLUBS

As we approach the half way point of the 2023 season, we have seen mixed results from the field and courts across all junior and senior grades.

There have been some milestones on the field Brad 'Otter' Ottey played his 100th senior game for the Ardrossan Football Club on 20th of May. Over at the Netball, Renee Oster played her 100th senior game on the 13th of May and Chloe Brown has also played her 200th game on the 27th of May. Congratulations to all on making these significant milestone, here's hoping for many more games in the Blue and White.

As always, our social committee has been busy behind the scenes and has pulled together the following social calendar for the rest of the season.
