

JUNE - AUGUST 2024

# Ardrossan Antics

## Wedding Dress Display

The Museum committee is currently planning a special event during the June long weekend. A display of wedding dresses spanning approximately 120 years will be displayed in the Ardrossan Institute Small Hall and will be open from 10.00am to 4.00pm on Sat 8<sup>th</sup> and Sunday 9<sup>th</sup> June.

Entry is \$5.00 for adults (\$2.00 for school aged children) and for an extra \$5.00 per person morning or afternoon tea will be available.

Also all of our regular reports and  
information for our community

Ardrossan Progress Association hosted an Easter hunt Over the weekend which proved to be a fun time with everyone searching for painted rocks around the town for which they could exchange for chocolate Easter bunnies. Our wonderful searchers managed to find all the rocks that were hidden, AND more. It was a great success.

## ARDROSSAN PROGRESS

### ASSOCIATION INC.

#### March to May Update

##### In the Community:

February, March and April have been a busy time in Ardrossan. We have had the wall mural painted by the pump track.

A very successful art show at easter with entries from both adults and schools filling the hall and many people coming to visit the exhibition. A very successful easter egg hunt was enjoyed by the children in town on easter Saturday.

The movie night in April with free popcorn and a sausage sizzle was a windy night but still enjoyed by those who came.

Ardrossan has been nominated as Top Tiny Tourism Town in South Australia and was included in a four minute promotion on HelloSA on Channel 9. The new video and suggested two day itinerary is included on the Ardrossan webpage for all tourists visiting Ardrossan to see and use as an example to plan their stay in Ardrossan.

##### In the Caravan Park:

The work on the three-metre ruling is mostly complete in the park, thank you to all the site holders who have done all the work to bring their sites into compliance with the three-metre ruling. This has been a large undertaking for everyone involved and will need to be maintained going forward.

The new crab cooking facilities have proved to be successful so we will be installing another two stations in the same design in the park.

Lawn and planting have been installed in front of the new villas and has made a big difference to the ambience to the villas.

The creek has been cleaned out so it is easier to look after and looks much better.

Margie Gaisford

*Thank you!*

We would like to thank Holly Simmons who has been our Ardrossan Antics Editor the last few years. Unfortunately, Holly has recently made the decision to step back from this role. We are grateful for all her time and effort getting previous editions to print.

# Ardrossan Heritage Museum

invites you to a

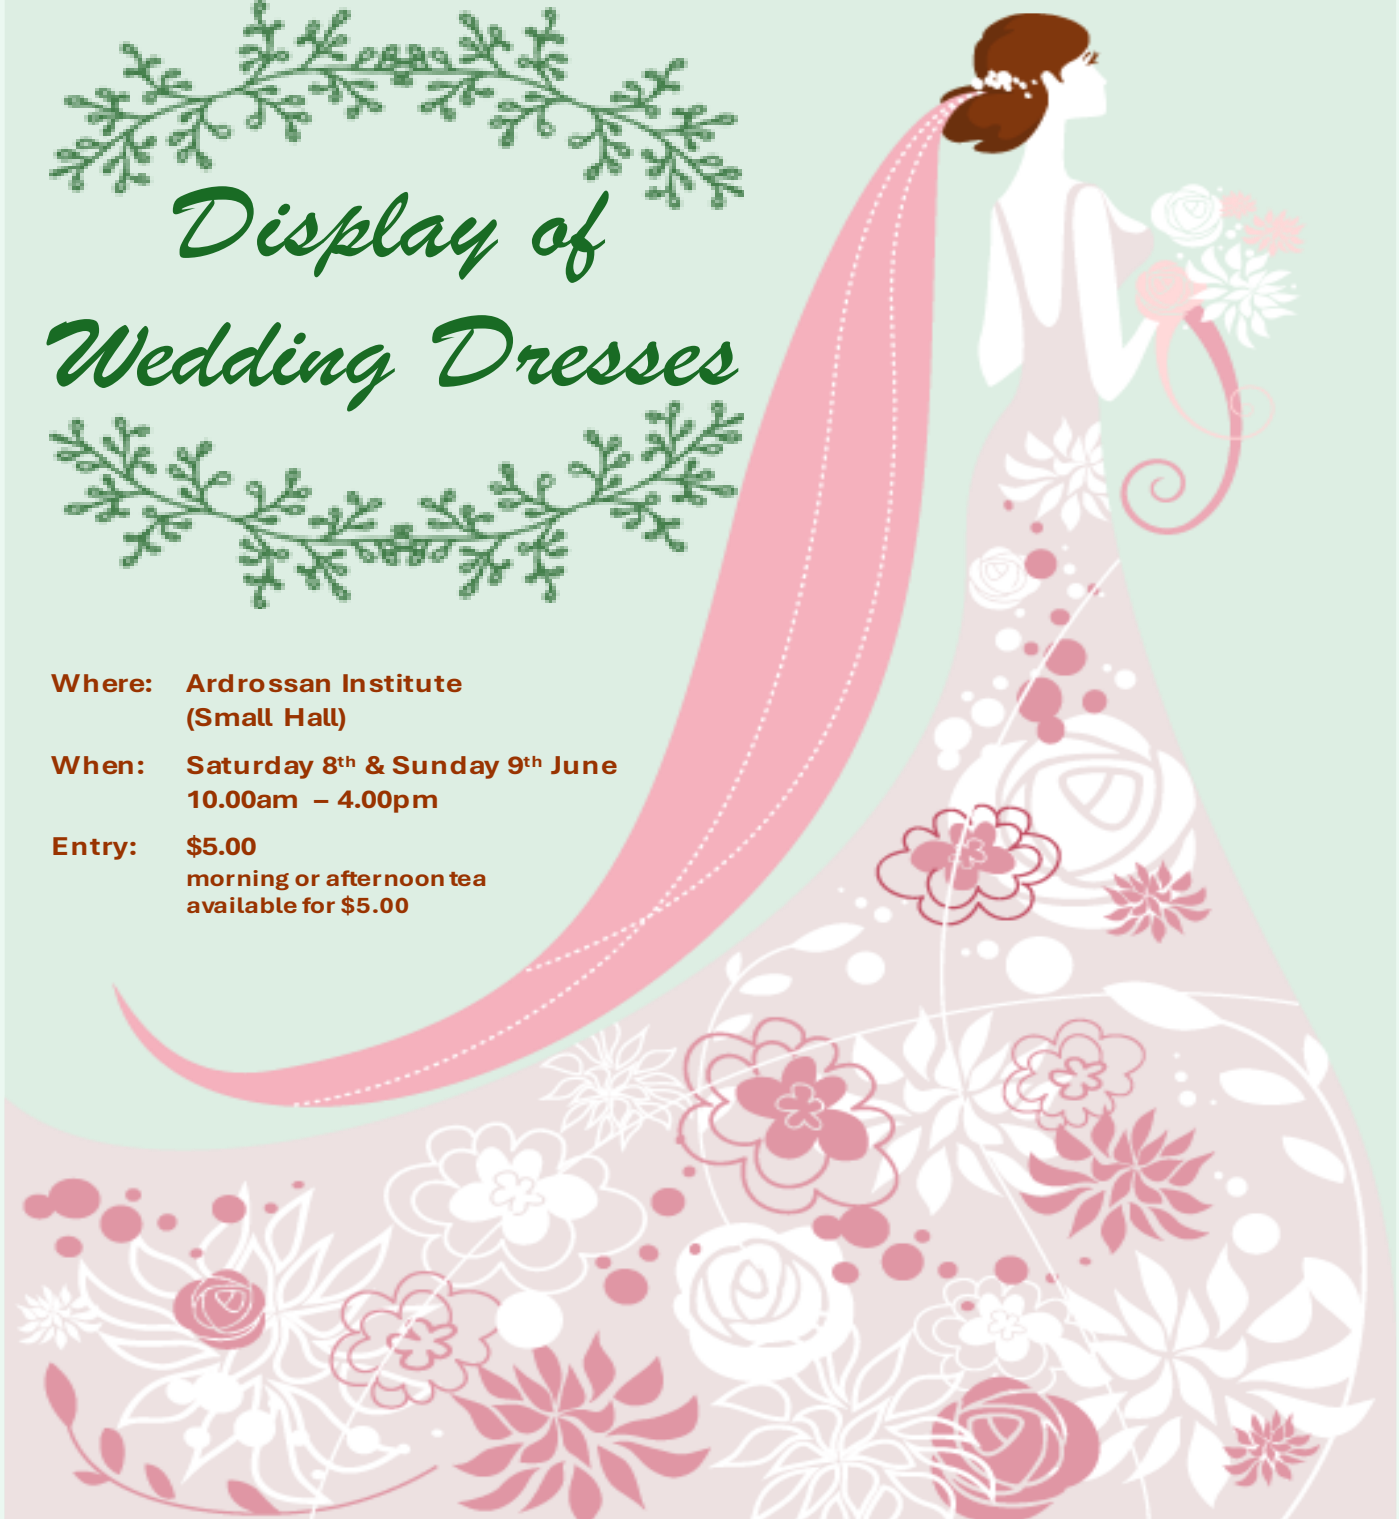

## Display of Wedding Dresses

**Where:** Ardrossan Institute  
(Small Hall)

**When:** Saturday 8<sup>th</sup> & Sunday 9<sup>th</sup> June  
10.00am – 4.00pm

**Entry:** \$5.00  
morning or afternoon tea  
available for \$5.00

### Annual General Meeting

The 2024 AGM will be held on Wednesday 18<sup>th</sup> July at 1.30pm in the VIC meeting room.

Ardrossan Museum attracts more than 2,000 visitors each year. While it is primarily an agricultural museum, its exhibits cover many aspects of the life of pioneers in the town and district. Visitors comment favourably about its variety, layout and cleanliness.

Please consider joining the volunteers who contribute their time to preserving the history of Ardrossan and its district.

## Ardrossan Art Display—Easter weekend 29th & 30th March 2024

Congratulations to all of our students who entered the Ardrossan Art Show.

Honourable mentions went to the following students:

### **PRIMARY SCHOOL CATEGORY**

First Prize - **Ianna Sperrin** | BUDDY

### **MIDDLE SCHOOL CATERGORY**

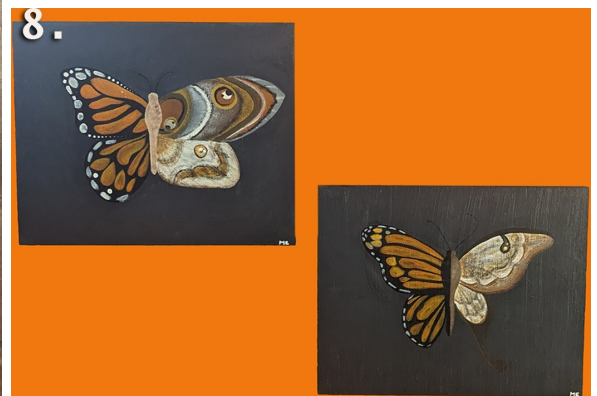

First Prize - **Aleisha Goodchild** | A STRING OF FLOWERS

### **SENIOR SCHOOL CATEGORY**

Second Prize - **Mikaylah Elsworthy** | BITTERSWEET

### **SCHOOLS CATEGORY PEOPLE'S CHOICE**

**Ianna Sperrin** | BUDDY

## School visit to Ardrossan Seaview—5th April 2024

Friday April 5<sup>th</sup> our Year 1/2 class visited the residents of Ardrossan Seaview. They thoroughly enjoyed chatting, sharing their work and playing games with the residents.

# Ardrossan Area School

Respect. Creativity. Excellence.

## ANZAC Day

AAS students, including School Captains Isabelle Teakle, Mikayla Dayman, Macey Hewitson, Ethan Hewitson, Lily Colliver and Music Captain Serenity Gorden, proudly represented our school at the RSL Ardrossan sub-branch and Arthurton ANZAC Day Services. SLG and Band member Serenity Gorden joined Mrs Schwartz and the YP Band at the Maitland Dawn Service. Serenity also sang the National Anthem at the March Service. Lest we forget

## R-2 Mother's Day morning tea

Friday 10<sup>th</sup> May the R-2 classes held a Mother's and Special Person's Morning Tea. Our Year 11 Food and Hospitality students made some delicious macarons and cheesecake for all to enjoy.

Winter is here! The heater is on in the Library if you are looking for somewhere to warm up.

Our flag is up!

Thank you to Kristian and Seb who put this up for us.

We hope that it is clearly visible and will make it easier for people trying to find us. Look out for the flag if you are not sure about our new opening hours. We will put the flag out each morning and bring it in each afternoon.

During the April holidays we held a Robotics session. This was well attended, with 13 local children trying the BeeBot and Sphero Mini robots.

We are looking forward to our next sessions in the winter school holidays, which will be run as part of the **Libraries SA Firstival initiative—Try something new in July**. Please let Kallie know if you would like to join our mailing list or keep an eye on our Facebook page.

**ROBOTICS**  
with BeeBots, Sphero Mini and SPARK+ Robots  
**FRIDAY, 19TH APRIL**  
10am–12noon  
*Suitable for Junior School students*

# Ardrossan Area School Community Library

## Firstival July 1 - 31

Try something new.

These holidays we are offering three activities for students. Keep your eye on our Facebook page or look out for the posters in the Library. Bookings will open soon.

We are going to try three different types of animating. Lots of skills will be able to be used at home too.

### HAMA BEAD DESIGNS

FRIDAY, 12TH JULY

10am-12noon

HAMA Bead Designs are a favourite. Students are invited to bring in a pattern, use one provided or create their own design. In our two hour session there is time to create a few small designs or a larger one.

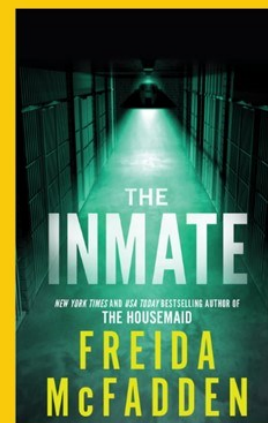

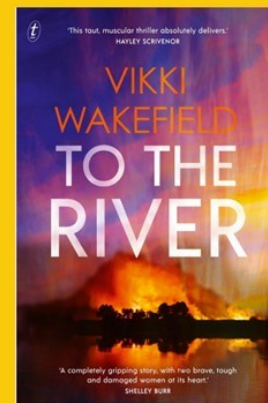

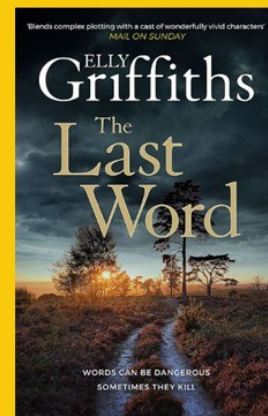

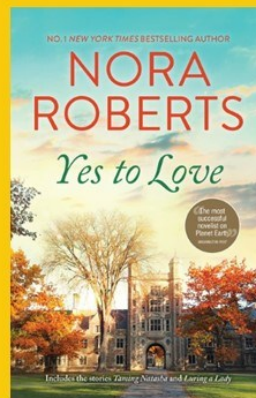

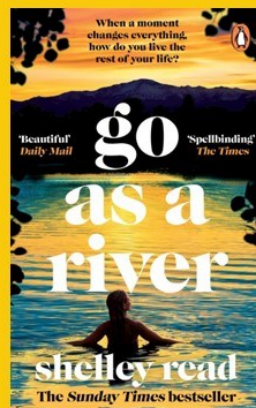

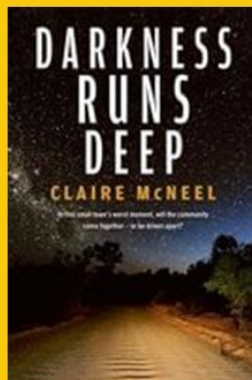

### ROCK PAINTING

FRIDAY, 19TH JULY

10am-12noon

Decorative Rock Painting is a popular activity during lunchtime sessions. We'll supply the rocks and paint pens. You need to bring your creativity. Rock Painting Designs can be as simple or complex as you like.

As always, if you can't find what you're looking for, please ask Roni, Pat or Kallie to see what can be accessed on the Public Libraries Network. We are happy to order books in or put them on hold for you. ☺

## **Volunteers Needed**

The SOS YORKES committee is **urgently** seeking new members to continue our vital work in suicide prevention awareness.

**SOS YORKES has managed with only a few volunteers for a while now and the situation has now reached a critical point. If the group cannot secure new active members in the next month, it will formally close as of June 2024.**

SOS YORKES, founded in 2015, has played a crucial role in raising suicide awareness in the Yorke Peninsula community.

### **Don't let SOS YORKES Close its door!**

We are looking for committed individuals to join our committee and help us to:

- Organize events
- Write grant proposals
- Develop the group for future success

**If you are interested in joining SOS YORKES and helping us continue our mission please contact:**

Anne Clothier - Chair, SOS YORKES

Hi Everyone

A Police Report has been compiled for us outlining incidents in our region over the past two months:

2 <sup>nd</sup> Apl	Ardrossan business had approx. \$200 of empty cans stolen from the yard.
2 <sup>nd</sup> Apl	A male was arrested at Price for a parole board warrant. He was later charged with Serious Criminal Trespass and Theft from a business premise in Adelaide and then Theft using force, possessing a firearm and ammunition without a licence, drive disqualified, unassigned plates and several other traffic matters in connection with another business premises.
2 <sup>nd</sup> Apl	A female at Price was reported for hinder police, possess prohibited weapon and possessing equipment used in connection with drugs. She was later arrested for Theft using force, Possess firearm and ammunition without a licence, and arson of a motor vehicle.
15 <sup>th</sup> Apl	Police attended a vehicle crash involving 2 trucks at Port Arthur. No serious injuries were sustained. Enquiries are still continuing to the cause of the crash.
30 <sup>th</sup> Apl	Ardrossan Police assisted Maitland Police with the arrest of a male as a result of a domestic dispute at Maitland for unlawful threats and possessing a firearm and ammunition without a licence. Further enquiries conducted, resulted in a search at Balgowan being conducted and a male being reported for insecure firearm and ammunition, possessing unregistered firearms, and providing a firearm to an unlicensed person.
3 <sup>rd</sup> May	A male was arrested in Ardrossan for unlawful threats towards police.
3 <sup>rd</sup> May	Overnight in Port Clinton, a vehicle was stolen from a house yard. It was later seen in Smithfield where the person failed to pay for fuel.
4 <sup>th</sup> May	A male was arrested at Pine Point as a result of a domestic dispute for Aggravated Assault causing harm.
13 <sup>th</sup> May	A male was arrested at Tiddy Widdy Beach as a result of a domestic dispute for Aggravated assault with a weapon, Breaching an Intervention Order, Threats to kill, Unlawful Possession, Drive Disqualified and having false plates on a vehicle.

The above is a disturbing mix of **theft, assault, possession of firearms/weapons, and drugs.**

We are fortunate we have our police actively working for us, but it pays to be aware of your surroundings and of what is going on around you. **Remember** to report anything unusual as it may just help.

Let's hope we start to see more rain coming down now that we are in our winter months.

Thank you. Judy G

Hi,

The Ardrossan Craft group have continued doing blankets and rugs for the needy. For something different, we have had two separate mornings of painting on glass bottles, vases etc. with the guidance of a lady from Price. Some lovely things done with animals and flowers painted beautifully.

In May, the group combined with the Friday morning exercise group, the Misfits, for "The Biggest Morning Tea" for a cancer fundraiser. The residents of Dinham Wing also came over to enjoy the entertainment of line dancing, followed by morning tea. This will be the third year we have been doing this event.

Thursday mornings, 9.30 -12 at the Uniting Church is where we have our weekly group with morning tea. Anyone interested in any sort of craft would be welcome to come along and have a look or just a chat.

Barbara

It's hard to believe we are already into June and the cooler weather has arrived. The ladies have been very busy changing over from our summer stock to our winter clothes, but we would still very much appreciate more men's winter clothes, especially warm jumpers and windcheaters.

At the moment we cannot accept any more quilts, pillows, books and DVD's as we just do not have the room to store them. We also cannot accept baby car seats, cots or Telstra Modems.

You may have seen or even used our new bench seat positioned outside our shop. We have to thank our local council for donating that to us which is used continually. We also need to thank Rex Minerals who gave us an unexpected donation for having the best window display! Thank you Meg, one of our wonderful volunteers, who changes our windows every fortnight usually with a different colour scheme.

As we all know our Hospital has now closed, so as our Op Shop is called the Ardrossan Hospital Op Shop, we now need to rename it. The Op Shop Committee held a special meeting for all our volunteers to come together with their ideas, suggestions etc. When we have collated all the answers we will let everyone know our new name. We will continue to support Ardrossan Seaview, our aged care facility as requested and rest assured our committee are working hard to support the future health needs of the Ardrossan community, and all funds raised will be held in trust until future needs and directions are determined.

We would like to thank our community who continually support us both with donations and shopping.

Our Op Shop also now has its very own phone number: **0458 754 000** so you can now **ring us during our Op Shop open hours** and one of our friendly volunteers will assist you.

If you have a few free hours a fortnight & would like to join us, ladies & men, please pop into the shop and leave your name & number and we will most certainly get back to you.

Cheers for now,

The Op Shop Committee

# ARDROSSAN

## GARDEN CLUB

This cool weather is sure preparing us for winter pruning season. Hope your pruning tools are ready. We are only a small but active group. 5 members attended a very interesting and informative afternoon at James Well recently. The subject was 'Garden Succulent Escapees' - how this happens and eradicating them to save our native flora.

Many, many posies, using fresh flowers were made at our May meeting. What lovely smells will abound. These arrangements will be delivered to our senior citizens at Dinham & Seaview wings.

If you would like to join this group, come along to our meeting in the small hall the first Monday of each month at 10.30am. We would love to see you.

We visited the rose garden in Maitland recently too. The U3AYP joined us as well as members from nearby garden clubs. Sadly the roses were not in full bloom, but all enjoyed wandering around the gardens. Neutron were the guest speakers with give a ways to all attendees. We were the host club for the day and had 2 raffles which were a hit with all. Thank you to all for arranging the day and allowing the visit.

If you would like to come along and join the Ardrossan Garden Club, please get in touch with Gwentyth Lodge for a chat. Her contact number is 8837 3143. She would love to talk to you. We meet in the Small Hall on the 1st Monday of each month at 10:30 am.

Based out of the Ardrossan Health Centre for appointments as well as offering individualised gym based exercise classes and 1:1 appointments in the Studio 71 gym.

Open Monday to Wednesday, and Fridays, from 8am to 5pm. Closed on Thursdays and weekends.

To make an appointment either **call** 0472 598 505 or visit the **website** to book online, or if you have any questions, please feel free to call or send an **email** to me as per the details below.

Kind regards,

**Kimberley Langley**

## Ardrossan Community & Mens Shed

Ardrossan Community and Men's Shed

4 West Terrace, Ardrossan

C/- PO Box 44 Ardrossan, SA, 5571

We're finding it difficult to find time to do the things we'd like to do, but we're getting there. Our members are involved in lots of different things, and it's amazing what work they get through. The blokes are always up for something new that they can get involved in.

We are also often surprised by the popularity of some of the things we have made. Some illustrations of this are the jigsaw tables we've made, started out with one being made by a member for his wife and now we've lost count of how many that have been done. One of our members made a little fork-lift along with some pallets to go with it, now made dozens of pallets to be used as drink coasters. The same happens with all sorts of things that we never expected to be so popular. And the range of things we've been able to do with our CNC (computerised laser and router) machines is growing exponentially.

The biggest example of this is the Osprey nest stands we've been building. We started making four, then another 3, then another 4; having made 11 we thought that would be the end of it – not so. We're now making another 4 with 2 more to come after that. The below platforms have been manufactured to create new breeding sites this season on Eyre Peninsula

We're getting pretty good at it now, refined how we do things, made patterns so as not having to remeasure everything, and made tools to make it easier. And we're never short of enthusiasm with everyone willing to do whatever needs to be done.

The success of this program has been amazing, giving the endangered Osprey sea eagles a chance to breed up their numbers and steer them away from extinction and we are proud that what we have done has made a difference.

The biggest thing we've undertaken is the extension to our Shed that will provide space for the new welding workshop (already in full use), provide a larger meeting/lunchroom/event room, and a disabled toilet facility that we've had in mind for ages that can be used for members and visitors that need assistance and facilities to expand their inclusion in our community.

Since costs are a major factor in progression, we've needed to do as much as we can ourselves where possible, so it's going to take a bit more time to achieve what we want to do.

All of these projects take time and we've had to prioritise what we've been doing so the extension has taken a back seat for the moment – as much as we'd like to get on with it there's only so many hours in a day to do things.

Those not involved in the larger projects are finding plenty to do and are producing some really great stuff, doing things they've never had the chance to do before, appreciating the company of others and enjoying themselves in the process.

Membership is growing and we're running out of space in the old tearoom to accommodate all those who come along. The new lunchroom will improve that immensely.

The lack of working space and overcrowding has always been a drawback and a disincentive for members to join in at times. We hope to improve that when the extension is completed and we can reorganise and improve the available space, planned features, and the experiences we want to provide for our members.

The generosity of the townspeople and the business in town never ceases to amaze us and offers keep coming in. We are particularly pleased that people assist in what we are doing. We try to support the townsfolk, organisations, and businesses in as many ways as we can – as they do us!

We have learnt a great deal since we started the Shed in mid-2016 and hope with our new facilities, to be able to involve more of our community in what we are doing. A great deal of work to do yet to help ourselves, and our community ahead of us. That makes what we are trying to do worthwhile.

We are open every Monday and Thursday, 9:00 am to 3:00 pm. You can drop in any time you like and we are sure you will find it a broad experience to be a part of our friendly team. The kettle is always on!

Hello All.

All our members have been busy cooking for 2 events-

- We provided a parcel to assist a very sick farmer's wife to ease the load with seeding.
- Morning tea to celebrate SACWA starting of Kindy and Voluntary teaching 1964

Director of Minlaton Family Centre.—Tanya Geister will speak at the 78th Birthday of the Ardrossan Branch of SACWA on **Tuesday 7th August at 1.30—in the small hall.**

Invites are being sent to members of SACWA of Spencer Group Branches and we welcome young mothers to call in and meet and chat with her. Bring your children if you like. Tanya will speak for 10 to 20 mins .

Afternoon tea will be served and take away tea or coffee. We ask if you could make a small donation of \$5.

Put **October 25** in your diary for **Fun in the Town** Square with one man band Ivan, from 10:00 am to 12:30 pm. It is a **free** event open to public, young mothers and children.

Plenty of room for children to run around and play. More on this event as it gets closer. Bring chairs hats and have fun in Ardrossan.

If you have any enquiries or would like to join us at SACWA, please feel welcome to call me—Jose Patrick on 0428851181

Flowers and food parcel from Branch members to help a Sick Branch volunteer with Seeding

**LIGHTCHURCH.CO**

At the time of writing this I have just gotten off the phone with a local farmer, and you guessed, it rain was discussed. They were beginning to put seed in the ground and hoping for some rain to come. Rain is needed to grow the seed. Water brings life and refreshment. We all need water and we all can get dry because sometimes life wears you out. Jesus once said that He is living water. That in Jesus everyone can find life and refreshment. Let's continue to think and pray for our farming community.

At Light Church we always have plenty going on, from our Sunday services and numerous mid week programs. We are starting to plan Carols by the Sea for 2024! Our church social media is a great way to stay up to date with what is happening.

We are excited to let the community know that Light Youth Ardrossan will be returning to a weekly program in term 3! This will be run by Cody Sutton who is taking the role of Kids and Youth Pastor. Keep your eye on social media for further details as we draw closer. At Light Church we value every generation from the infants to the seniors and we are excited to provide a space and program for the youth of the community.

God Bless

Pastor Ben

**ARDROSSAN SEAVIEW**  
**(formerly known as Ardrossan Community Hospital)**

Dear Stakeholders and Community Members

I am writing to provide you all with an update of what is happening here at Ardrossan Aged Care:

- The Board passed a resolution to formally close the acute and accident and emergency services, and surrender our private hospital licence. This action took effect as at close of business on the 31st March 2024.

Our Aged Care home will continue to operate and we will be expanding our business to care for NDIS short term respite and Carers' respite. Please be reassured that there will be no change to the person-centred care we give, and I hope that you can all come on this positive journey with us.

- Our home will be renamed Ardrossan Seaview.
- Dinham Wing will remain our residents' home and there will be no changes to the current care or staff.
- The acute section is now be called the Murrie Wing.
- NDIS will operate in the Elizabeth Murrie Wing section of the Murrie Wing.
- Should you have any questions in relation to the NDIS program or Carers' respite, please contact the hospital and ask to speak to Narita.

We are working now to involve some additional community people to immediately continue our campaign for reinstated or improved health services that could be based in our existing health centre.

Thank you to you all for your patience with this process. I will keep you updated as we progress.

Again, this will not change the way we care for residents and consumers, providing the best person-centred care we can.

Kind regards

Narita Stone

Chief Executive Officer

Members = \$5.00

Visitors = \$15.00 (includes Green Fee)

## ARDROSSAN GOLF CLUB

### Anzac Day challenge

**Saturday the 20<sup>th</sup> April**

Saw 43 players contest a Stapleford event between Maitland, Ardrossan and Port Victoria for the **ANZAC DAY CHALLENGE SHIELD**

Host club Maitland, started the proceedings with Robert Klopp reading the Ode, and the flag raising.

The course was in great condition, along with perfect weather for a shotgun start at 12.20pm.

There were some great scores, but coming in on top were medallists:

Bill Edwards 37pts (Maitland)

Archer Rowntree 41pts (Ardrossan)

Geoffrey Smith 37pts (Port Victoria)

Ardrossan won the shield with a Stableford average of 30.2, Maitland 29.9 and Port Victoria 28.3.

Finishing the day with a BBQ tea, made for a very enjoyable time for all involved. Thanks to the Maitland golf club, see you all next year in Ardrossan.

### Birthdays

Left and Right above: A lovely shared luncheon after golf on Tuesday 7th May to celebrate member Kath Leas milestone 90th birthday

Right: And celebrations for Jenny Harbutt's birthday

Meals on Wheels, Ardrossan Branch, delivers fresh meals to clients five days a week, and can deliver frozen meals for weekends and public holidays. But Meals on Wheels is much more than a meal delivery service. Our friendly volunteers provide social contact, a trusted friendly face, and a well being check with every delivery.

Referrals to Meals on Wheels can come from family members, friends, doctors, healthcare professionals, community care providers, local councils or self-referrals. Meals can be provided on a short term or long term basis. Some people may be eligible for Government-subsidised meals, and will need to be assessed by *My Aged Care* for eligibility. There are a number of reasons why people need to have meals delivered - recovering from a stay in hospital, unable to visit shops, lack of transport, or simply to make life easier etc.

Meals consist of 3 courses: Soup, Main Course and Sweets and are prepared by the staff of Ardrossan Community Aged Care. Cost can vary depending on individual circumstances.

If you would like more information and assistance with your application, please phone the Adelaide Head Office on 8271 8700 or freecall 1800 854 453

## Gutter Cleaning Service

### Introducing:

Drone It Out is now offering a gutter cleaning service! No we haven't figured out how to do this with a drone, but it can assist in the initial inspection.

Gutters are often overlooked, and are a major cause of leaks within the home. This is often due to blocked and damaged guttering, which is why it is very important to check the guttering for leaves and debris.

Gutter cleans typically range between \$150-\$250, depending upon the size of the house.

Call Heath for a quote to get your gutters cleaned on 0401 702 463

To see more of Drone It Out Services, the QR code

**President:-**Robert Klopp: 0437 817 043

**Vice President:-** Jean England: 0408 373 596

**Secretary:-** Wendy Klopp: 0428 826 380

**Treas & Aux President:** Sandra Klopp: 0437 817 142

It was great to see a very good crowd attend the Dawn Service on ANZAC Day 2024. After a “nippy” start, the sunrise was spectacular and the weather lovely.

We were very pleased to have a Catafalque Party from the 7<sup>th</sup> Battalion of the Royal Australian Regiment, their Corporal Lachlan Scott, and Commander Ian Dawson as a guest speaker for the day. Commander Dawson laid a wreath for the Boer War and World War 1, Rob Klopp for World War 2, Jean England for New Zealand, and Richard Carruthers, Deputy Mayor laid a wreath on behalf of the Yorke Peninsula Council.

Thank you to Reverend Jane McDonald for her participation along with the Ardrossan Area School Student Leadership Group who raised flags. Approximately 140 people enjoyed a Gunfire Breakfast at the Sub-Branch rooms served by the very busy helpers and cooks. Many thanks to all who were up so early to help make it all happen.

At 10:45 am, a small group of Veterans and other Marchers led by AAS students as flag bearers, and Don Watters, by the command of John Scott, left from the clubrooms to gather at the Town Memorial. They were led by the beat of the Kettle Drum of local resident Barry Kuhndt.

Following the march, another great crowd attended a service and witnessed a special Fly-past of a Poseidon P-8 aircraft right up the main street, many thanks to the RAAF. The Catafalque Party, Commander Ian Dawson (guest speaker), AAS students, Rev Jane McDonald, and community members participated again at the service, ably presented by Sub-Branch President Robert Klopp. We sincerely thank Serenity Gordon for singing the Australian National Anthem so beautifully for the service. We will ensure a reliable sound system for future events too.

Following on, lunch was served at the Sub-Branch rooms. Once again thank you to everyone who helped during the day, it was perfect weather, and all went well. It takes a lot of pre-planning to organize the event. Thanks to the Secretaries Wendy and Pat, and all the Committee and helpers who contributed to make the day successful.

On a brighter note, the girls in the kitchen are still doing a great job serving lovely meals every Friday evening and we appreciate the people who come and enjoy them and support the Sub-Branch.

Jan asks that you ring or text her on 0417 814 345 to book to help with catering numbers. Please remember, Cash Only\* at the Sub-Branch.

We have welcomed 4 new members recently and hope they will enjoy being involved in the RSL Ardrossan Sub-Branch activities.

Regards Sandra Klopp

Sandra Klopp

**It's in the Bag!!** 6 of 11 friends travelling from Ardrossan to WA with their **Ardrossan tote bags** available for purchase in various colours in the Ardrossan visitors centre:

Left to right:

### **Ardrossan Health care “Community concerns”**

I have taken many calls and enquiries from the community with concerns and suggestions around the level of health care available now that our Ardrossan Acute and Emergency has ceased operations.

Whether it be the inconvenience of extra travel, or the difficulty in obtaining triage or first response care prior to an acute admission to the Maitland or Wallaroo hospitals.

I have attached a feedback form for those community members that are interested in providing feedback, complaints, compliments or ideas to both the Local and State Government health segments to assist them in the sharing of best practice, and ensuring that the voices of the Ardrossan community are heard in relation to any ongoing conversations that may be had now or in the near future regarding Ardrossan’s level of health care or what that may look like in the future.

### **What do I do with the completed feedback form?**

You can either place the feedback form in the specially marked “Feedback collection box at:

- Ardrossan Chemist
- Ardrossan Newsagent
- Ardrossan Visitors information centre

Or

By post to:

- Yorke and Northern Local Health Network  
PO Box 546  
PORT PIRIE SA 5540

Or

By Email:

- [Health.YNLHNConsumerFeedback@sa.gov.au](mailto:Health.YNLHNConsumerFeedback@sa.gov.au)

Thank you for taking the time and making the effort to support better healthcare options for yourself, your family, and your community.

Mrs Rikki Parkinson

## President's Report

The end of the 2023/24 season has come to an end and a positive season it has been. Coming off the B grade premiership, hopes were high to be able to make an impact back in the A Grade while fielding a 2nd side in the B Grade. We also started with a strong Junior Colts side.

Obviously, both A's and B's missed the finals but a lot of positives have come out of the season. Archer Rowntree took on the captaincy and grew with knowledge every single game. Our younger crew continued their growth, many playing A Grade for the first time (7 A Grade Debuts). And when you include significant injuries to new recruit, Josh Fechner and to the old timers in Reddo, Bomber and myself (all on the same day) I think we did really well in 2023/24.

Our challenge, I believe, is to be able to fill the B Grade more consistently to allow the senior colts more opportunities to play senior cricket and to increase their development next year. We have had a positive indication that we will be entering a Senior Colts side for the first time in many years as well as a Junior Colts which makes it even more important to keep our B grade alive.

We also need more volunteers to run a successful club next year. In particular, we will be seeking a Junior Blast Coach/Coordinator and help with the Junior Colts. If you are interested, please let me or any of the committee know. We are keen and determined to continue to grow cricket in our community.

This year we had 1 player named in the team of the year - B Grade. Congratulations to Cooper McInerney on this achievement in his 2nd year of senior cricket. In his four games of B Grade, he made 176 Runs including a 132 Not Out and took the 4 wickets. Well done on your achievement.

Over the summer break we had a number of our Colts representing the Yorkes in both the Under 14's and 12's Country Cup Carnival. Ned Lawrie and Seth Colliver displayed their skills in the under 12's, while Max Simmons, Levi Clifford and Cash Meyers did in the under 14's. Cash was also elected Captain of the squad while Levi was elected Vice Captain. All the lads did a fantastic job over the week of cricket held in the Barossa Valley. It should be noted that both Levi and Cash have also been applying the skills in Adelaide with West Torrens - both have excellent seasons.

Our Junior Colts, coached by Chris Redding and Olivia Colliver as well as a bunch of volunteers, had another fantastic season going through the season with only the 1 loss. The growth and development of these young nippers has been sensational.

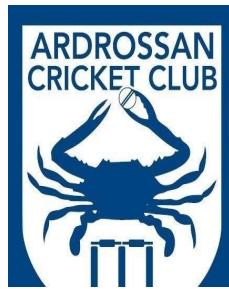

A huge thank you must also go to all the parents who have helped with umpiring, scoring, cooking the bbq, serving behind the bar and generally helping Olivia and Chris with coaching. They both appreciated the help.

As always, and just like any country town club, we couldn't do it without the kind and generous support from our community. Our sponsors are the best and their willingness to give and support us is unwavering which we truly appreciate. I encourage you to support these businesses when you have the opportunity to and we hope that you continue your association with the Ardrossan Cricket Club.

Continued next page.....

Continued.....

As president, I have the privilege to award the Club Person of the Year and there is no doubt in my mind who deserves this highly regarded award.

Having joined the committee last year, Olivia Colliver has continued to make a huge impact on our club. In her role of Secretary, she has done a superb job but it has been her willingness to go above and beyond including managing the Junior Colts that has been a stand out. She has organised the season for the colts, managing rosters, running the bar and every other job you can think of. Olivia has been incredible at leading the club in her role of Secretary and assisting me with my responsibilities designing new sponsorship forms for example. My thanks has no end, so appreciative of everything you have done this year. So I have the privilege of announcing her as the most worthy recipient of the Club Person of the Year award, back to back. Many thanks for your work this year Olivia.

I personally can't wait to hit the park again next year, I hate waiting for the season to get back up and running. I encourage you all to do your bit for the club, try and recruit some players, jump on the committee, volunteer as a coach/team manager and make Ardrossan Cricket Club the best club on the Yokes.

Lastly, the club's AGM will be Wednesday the 7th of August at 7pm at the Community Club. Everyone is more than welcome to attend.

Have a great break, see you next season.

**Nathan Wright.**

#### AWARD Winners:

##### A Grade

Batting—Archer Rowntree 237 Runs

Bowling—Nathan Wright 13 Wickets  
ets

All Rounder—Archer Rowntree 357 Points  
Votes

**Treasurer:** Chloe Brown - Phone 0418 368 993

01/05/2024

We are writing to you on behalf of the Ardrossan and Sport and Recreation committee. An inspection of the courts by Netball SA located on the corner of Maitland Road and West Terrace has revealed they require resurfacing. They were established in 2006 and have only required minimal maintenance over the past 16 years. The conditions causing concern are cracked and lifting lines as well as the asphalt base itself. These issues can attribute to slipping/tripping injuries.

These courts are used all year round by the local Basketball Club who have 65+ registered players/members for the 23/24 Season, Netball Club who have 80+ Registered players/members for the 2024 season and Tennis Club who have currently gone into recess. Additionally, these are currently the only courts used by our wider local community and tourists, that are in reasonable condition in Ardrossan.

We have had 2 companies able to come and measure and quote for us. The first company Ace Bitumen were the ones who originally laid the hotmix back in 2006. The quote has come in with the estimated cost of \$47360.00 (base) and \$3450.00 (lines) all subject to change not including GST. The next quote was provided by Pro Bitumen and they have provided three quotes ranging from \$62660.95 - \$89212.20 not including GST, subject to change, this quote does not include the Hotmix and Labour costs for the lines.

Sport and Rec can fund this project with \$10,000.00, The Netball, Basketball and Tennis clubs have contributed a total of \$17,500.00. We have had success with 2 grant applications and have been granted \$8000.00 in total. We have been fundraising for over 2 years and have had many catering functions and have raised \$4662.00. Donations and sponsorship so far \$9933.00. That leaves a balance of \$8905.00 remaining to raise with using the quote from Ace Bitumen.

Thank you in advance for considering our request

Regards Corrine Mullins

President

HAVE SOME FUN AND COLOUR ME IN ☺
